

A lottery was held on March 1, 2019, to select students to attend the **International Baccalaureate (IB) program at Mount Rainier High School** starting in the 2019-20 school year. Highline Public Schools received more applicants than can be admitted. The district used a lottery to select students from a pool of eligible candidates. To be eligible, students submitted a completed in-district transfer form by January 31, 2019. The admissions process is designed to accommodate the growing number of applications while maintaining the school's high-quality educational program.

Students Exempt from Lottery - 9th Grade

The following is a list of incoming ninth-grade students selected to attend the IB program starting in the 2019-20 school year.

Exemptions include:

- **Siblings:** Students who will have a sibling enrolled at Mount Rainier High School in the 2019-2020 school year will be exempt from the lottery, and will be admitted into the school. An application is still required for students of siblings wishing to attend the IB program for the 2019-2020 year.
- **Employees:** Children of employees have a right to attend the school in which their parent/guardian works. Children of current employees at Mount Rainier High School or at a school within the K-12 continuum will be exempt from the lottery, and will be

admitted into the school. An application is still required for students of district employees wishing to attend the IB program for the 2019-2020 school year.
